Announcement

To Our Clients:

We are very pleased to announce that effective September 30, 2010 the DeSanctis Insurance Agency, Inc. has acquired the interests of the Curtin International Insurance and Bonding Agency, Inc. of Lexington, MA.

The Curtin Agency has specialized in surety bonding since 1953 and is a well known name in both the surety and construction industries for their accomplishments and contributions.

This acquisition will not only strengthen our presence in the industries, but it also improves our ability to better service you. Dick Caruso and Judy Dean have thirty plus years of bonding experience at Curtin, and they will be joining the staff here in our Woburn office. You will continue to be serviced by present DeSanctis staff, but Dick and Judy are both available if assistance is needed.

Please join us in welcoming Dick and Judy to the Agency.

Sincerely,

DeSanctis Insurance Agency, Inc.
