RE: CITY OF BOSTON STREET PERMIT BONDS

We were recently made aware of the fact that Boston was increasing their Street Permit Bond requirements from \$5,000 to \$20,000, effective July 1, 2010.

If that is the case, the Permit Bond's cost will rise from \$100 to \$200.

There is a possibility however that only Contractors "EXCAVATING" in Boston will be required to provide this increased bond.

If you are requested to post a Street Permit Bond in Boston, we would suggest that you ask them what amount they need for your particular project so that you don't unnecessarily give them a higher limit and higher cost bond.

Please note that the City of Boston Public Works Department mandates only originals of the bonds, on their own bond form, not copies or faxes.

Sincerely,

Desanctis Insurance Agency Bond Department
